

# SELECTION CRITERIA (BUILDER)

## Prerequisite:

1. Evidence of at least one person who will be on-site either has, or can obtain prior to Notice to Proceed, a Common Access Card (CAC).

## Preliminary Selection Board:

1. (Maximum of 35 points) **Experience and Performance**: Evaluation of the A/E's previous experience implementing and utilizing the Builder software as outlined in the services required by this contract.
2. (Maximum of 20 points) **Resources and Capability**: This will be an evaluation of the A/E's training, experience developing facility assessments and ratings, preventive maintenance plans and conducting training on BUILDER data input and report generating.
3. (Maximum of 10 points) **References**: This will be an evaluation of the references provided in the submission.
4. (Maximum of 10 points) **Locality**: This will be an evaluation of Corporate versus Branch Offices localities as provided in the submission.

## Final Selection Board (Presentation):

5. (Maximum of 25 points) **Presentation made to ALARNG**: This evaluation will include the presentation made to the Selection Board Personnel.

## **\*\*NOTES:**

1. The Armory Commission reserves the right to make a selection following the Preliminary Selection Board.
2. In the event a Final Selection Board is held, the results of both the Preliminary and Final Selection Boards will be consolidated into a single score and the Firm with the most total points (out of 100 possible) will be the Firm recommended by the Final Selection Board.
3. Results of the Preliminary and Final Selection Boards will **NOT** be published.
