

Pursuant to Alabama Act No. 2001-956, the Armory Commission of Alabama is seeking qualified Architectural/Engineering (A/E) firms to provide professional design services for the construction of a Field Maintenance Shop in Foley, Alabama.

Description: The scope of work involves the design and 100% on-site construction administration for the construction of a new Field Maintenance Shop. Environmental services may also be provided for the various facilities under this proposal. The projected budget for this project is \$4,350,000.00

Qualification: A/E firms and all proposed consultants shall hold a professional license in the State of Alabama. A/E teams should be multi-disciplined and capable of complete project design. Successful firms shall be capable of managing multiple projects simultaneously. All firms shall have a permanent office located within state of Alabama.

Project design may include applying the principles and practices of sustainable design and development. Additional considerations may include interior design for finishes and furnishings and the latest anti-terrorism / force protection requirements.

Any firm that has **NOT** performed work for the Armory Commission of Alabama, within five (5) years from the closing date of this announcement (13 November 2015), will **NOT** be considered during this selection.

Application: The Armory Commission of Alabama utilizes a process similar to that outlined in the Manual of Procedures, prepared by the Alabama Building Commission, to appoint selection boards and evaluate the candidate firms. The selection board will provide a recommendation to the Armory Commission of the most qualified firm for this project.

Selection Criteria: The current selection criteria and required documentation can be found at the following web address:

<http://www.al.ngb.army.mil/CFMOContracting/Documents/Foley%20FMS%20AE%20Preliminary%20Selection%20Board%20Evaluation%20Criteria.pdf>

This Selection Process is in accordance with Section 41-16-72(3), Code of Alabama, 1975, as amended.

NOTE: A/E firms **MUST** follow the Selection Criteria Format identified in order to be eligible for selection. Failure to follow this format may result in rejection of A/E firm's packet.

Selection: No more than one A/E firm will be selected for this service.

POC for Questions: Contact Eric Holt via phone at (334) 260-6355 or via email at Kenneth.e.holt2.nfg@mail.mil with any questions about the Selection Process.

Interested A/E firms **must** submit their complete packets, no later than 5:00 p.m., **13 November 2015**, to:
