

**ADDENDUM #1**  
**Contract Security Guards**  
**at Alabama Army National Guard Facilities**  
**11 September 2020**

This Addendum is being provided to clarify questions relating to the Performance-Based Work Statement (PWS) and the Request for Proposal (RFP) for the referenced project.

**ITEM 1 Paragraph 1.3.4**

A question was asked, does the weapon platform have to be a Beretta 9mm?

**In 1.3.4 Weapons: the PWS states, the main characteristic of an equivalent is the pistol ability to accept the ammunition magazine used in the Beretta M9. The PWS is amended to state: The main characteristic is the pistol will be a 9mm caliber of the make/model Beretta M9 or Sig Sauer Model 17. The contractor will obtain Government approval for any equivalent before contract award.**

**ITEM 2 Paragraph 1.3.3 3/1.2.4**

A question was asked, is the baton the only less than lethal option?

**IAW 1.3.3 3, the Monadock expandable baton or of comparable quality is the only required less than lethal need. IAW 1.2.4, additional secondary use of force can be used as long as each guard has passed a training course by a certified trainer.**

**ITEM 3 Paragraph 1.3.3 7**

A question was asked, does the body armor have to be soft or have plates, worn under the blouse or out?

**IAW 1.3.3 7, the body armor has to be National Institute of Justice (NIJ) Level IIIA, and will only be worn when threat conditions dictate. Each security guard will bring their body armor when reporting for duty.**

**ITEM 4 Paragraph 1.14.2 & 1.14.3**

A question was asked, can you provide the POC for current SSGM and ATPC IOT obtain their resume for submission IAW RFP?

**SSGM [william.e.harrell16.ctr@mail.mil](mailto:william.e.harrell16.ctr@mail.mil); ATPC [james.e.wallace11.ctr@mail.mil](mailto:james.e.wallace11.ctr@mail.mil).**
